PROFESSIONAL SUMMARY

Ex-national athlete (Ranked #3 and 7x Champion) and highly-driven trader at Oasis Asia Capital, specializing in discretionary equity strategies across SG/HK/TH/US markets using order flow analysis, Level 2 depth, and high-beta sector trades. Leverage Bloomberg BQuant, BQL, and Python to build institutional-grade monitors, bridging macro fundamentals with high-frequency execution. Applies the same disciplined competitiveness to combine entrepreneurial acumen and rigorous research, capturing structural value and momentum setups.

EDUCATION

Nanyang Technological University (NTU) | *Bachelor of Social Sciences in Economics (Honours)* | 2019 – 2024

Raffles Institution | *GCE 'A' Levels, Raffles Diploma* | 2017 – 2018
